A Thuismitheoir/Chaomhnóir,

20/1/14

Tá fadhb taobh amuigh leis an bpáirceáil ag amanta áirithe I rith an lae. Is cúis sábháilteachta é i ndáiríre. Bíonn fadhb ann:

- (1) ar maidin roimh a 9 a chlog. Uaireanta, ní bhíonn na múinteoirí agus cuid eile den fhoireann scoile in ann tiomáint isteach go carrchlós na scoile
- (2) ag a 1:40i.n (am dul abhaile na Naíonáin). Bíonn tuismitheoirí ag páirceáil díreach taobh amuigh de *suíomh na scoile*. *Ní chheadaítear d'éinne páirceáil in aon áit tar éis an casadh ar chlé.*
- (3) Óna 2:25i.n ar aghaidh roimh am dul abhaile na bpáistí óna hardranganna.

Tá na cóin leagtha amach ag bun ar dheis chun cosán a sholáthar do na páistí ar mhaithe lena sábháilteachta. Tá na cóin ann ar chlé freisin chun cosc a chur ar na carranna tiomáint nó páirceáil ansin.

Caithfear na suíomhanna páirceála atá díreach os comhair na scoile a choinneáil saor ionas gur féidir leis na busanna leas a bhaint astu.

Caithfear iad a choinneáil saor freisin ar mhaithe sábháilteacht na bpáistí atá ag teacht amach tríd geataí na scoile

Dear Parent/Guardian,

There is currently a problem with parking outside the school premises. It is in fact a safety issue. It is particularly concerning at the following times:

- (1) In the morning before school begins. The teachers and other members of the school team are experiencing difficulties and delays trying to access the school.
- (2) From 1:30pm – 200p.m. There is an issue here when the parents are collecting the children (junior/senior infants) from the school. It is not permitted to park outside the school on any side of the road after the left hand turn as you approach the end of the road

- (3) From 2:25pm – 3:00pm. The marked parking spaces situated directly outside the school gates are for the buses only. No other vehicle is permitted to park here.

There are cones laid out at certain points on the road. The cones at the bottom (temporary cul-de-sac) are laid out to provide a temporary walkway for the children to cross safely to the other side of the road. This is to ensure the safety and protection of the children. I recognize that it can be an inconvenience and that there is a significant volume of traffic all at once. However, the safety and protection of the children has to be given priority here. So, I am appealing to all to make an effort ,

Is mise le meas,

Liam Breathnach (Priomhoide)
